Our Take Away Menu

The menu below is just a selection of our quickly prepared take-out meals.

"How long do I have to wait?" -- usually 15-25 minutes during the week: this means you call from home and it's ready when you arrive by car.

Please note that not all of our staff speaks fluent English, so take down the number of the dish before you start ordering.

I would also like to say that if you want to enjoy our specialties, it is definitely best to sit in the restaurant and savor them at a leisurely pace. And the food tastes even better if you and your partner are sitting at a table with champagne and wine! ;-)

You like Chinese food and appreciate the good taste of our traditional dishes?

Then we want to welcome you to Kung Fu Restaurant!
